Meeting Minutes from the last PTO meeting were reviewed and a motion was made to approve.
Approved as documented.

Treasurer: Mrs. Johnson

Beginning Balance: \$2,355.24

Funds Spent: \$500 on PBIS incentives, \$100 for Venture Crew

Ending Balance: \$1,755.24

Matt Raper Ivy MS Principal

-Upcoming TCAP testing, test prep will take precedence on campus in the upcoming weeks. Testing is important although Ivy celebrates all student growth. Please donate snacks for testing.

-Benchmark Data is in and looking good.

-Parking lot potholes were filled. Ivy would love to pave the driveway, it's just not in the budget at this time.

-Potential Funding Changes: Due to funding changes being made by the county Ivy will focus on budget conservation to be proactive about potential budget cuts. A survey was sent to staff and families to evaluate the importance of all Ivy programs.

-Sports: 5 Ivy students are playing Baseball for Sale Creek, going great!

Ivy Track Team

Archery Season is in full swing, with a tournament this weekend.

Phil Mansueto Ivy MS Dean

-Thank you to PTO for donating snacks to our PBIS incentive problem

Mr. Robertson Ivy HS Principal

-Senior capstone projects are going well, thanks Mrs. Braddock.

-End of Course exams and TCAP are upcoming.

-Let's finish the year having fun.

Mrs. Braddock

-Informed the PTO about an opportunity through the American Legion for 2 high school students to learn about our National Government. One male and one female student delegate will be selected for the opportunity. The cost is a total of \$1,000 for both students to attend for two weeks.

David Henderson Informed the PTO that they did sponsor the opportunity last year, though, the budget is tight at this time. A motion to sponsor was discussed and PTO Pres. Henderson asked the PTO to pitch an amount they would be willing to sponsor. Options and pros and cons were discussed, including that the money could also be used to sponsor RWS student runners.

Tom Shirley, PTO meeting attendant, offered that if the PTO put up \$500 his company, Global Environment will sponsor the other \$500. The crowd went wild and gratitude was expressed. Motion to spend \$500 towards the cost for Boys & Girls State was approved.

Shannon Rominger PTO Member

-We could potentially acquire grats through volunteering for IronMan.

Sammy Stoklosa Running With Sasquatch

-Please register and promote however you can. We're behind our goal but will not fail to gain enrollment. Please acquire auction items and look out for volunteer sheets.

Ansley Eichorn

-Fall 2024 trip to Galapagos Islands through EF Tours. Any Ivy student or family member can attend. Contact Mrs. Eichhorn for information.

Closing:

David Henderson

-Please bring forward any fundraising ideas and please sign up to help at Running With Sasquatch and the Cumberland Trails Spring Festival.
